To Whom It May Concern:

The Church of God aka Maranatha, has adopted protocols embodied in www.chips-corner.com to accomplish some of our funding our hospital ships and other humanitarian and infrastructure projects worldwide. The Church recommends that others study the www.chips-corner.com protocols and customize their implementation to fit their needs. Specifically, The Church of God invites hospitals and medical care organizations around the world to take advantage of www.chips-corner.com protocols:

- 1) To realize 100% rebates from THE BLUE MILLENIUM FOUNDATION on all items they purchase from their selected suppliers.
- 2) To purchase, on behalf of THE FOUNDATION, items that THE FOUNDATION may then allocate to the Church or to other humanitarian or world commercial outlets, realizing the same 100% rebate, plus an additional profit negotiated with THE FOUNDATION.
- 3) To realize 200% rebates from THE FOUNDATION on salaries and benefits they provided to employees and contractors.
- 4) To realize 200% rebates on all costs (computed at normal patient rates) of taking care of patients, which are not covered by insurance or other reimbursement/payment.

All of the above may be provided by THE FOUNDATION using commercial protocols that provide business profits for the Beneficial-Owners. THE FOUNDATION does not use governmental or charitable funding to satisfy the stated objectives:

But, individuals, families, businesses of any size, governments, and charitable organizations such as The Church may benefit through THE FOUNDATION.
